

CTP DriverProtect Policy

This insurance policy provides benefits to the at-fault driver in a motor accident when they suffer certain specified injuries. The policy is issued in conjunction with your QBE CTP policy. The policy will cease if you sell or deregister your vehicle, or renew your CTP insurance with another insurer. There are some exclusions on this policy, including if the vehicle is being driven by a driver under the age of 25. Please read the policy wording carefully so that you are aware when and how you may make a claim.
